

## **Strong growth pursued during H1 2006**

The sales revenue of the Group, one of the world leaders in HR Management, stood at €496.5M for H1, up 13.2% as compared to 2005.

SYNERGIE thus displays, with its network of 450 branches, performance results clearly above average in its industry, both in France and abroad, where the Group, now present in ten countries, is pursuing its development at high pace, with a 44% progression over the half-year, at €132.2M; representing 27% of consolidated sales.

The consolidation of UK subsidiary ACORN as of January 1, 2006, was a total success, as evidenced by the 13% rise in activity over the period.

All these clearly-rising indicators confirm the validity of the SYNERGIE Group's strategy and validate its growth target for the whole of financial 2006, with sales revenue of nearly €1.1bn versus €932M in 2005.

*Listed on Eurolist's B compartment (ISIN FR0000032658), SYNERGIE is a major independent provider of Total HR Management services, with 450 branches in Europe and Canada. The group is a member of the CAC Small 90, CAC Mid and Small 190 and SBF 250 market indices.*
