

**SYNERGIE,  
LEADER IN HUMAN RESOURCES MANAGEMENT  
STRENGTHENS ITS PRESENCE IN THE UNITED KINGDOM**

Synergie Group announced today that it would continue extending its international network with the acquisition of the British company Advance Personnel.

Advance Personnel is one of Northwest England's leaders in recruitment, and also has an office in Poland.

With turnover in 2006 reaching nearly €30 million, Advance Personnel covers the full range of human resources fields. Its network and specialization will complete those of Acorn, number one for recruitment in Wales, which was acquired in December 2005.

Consolidated, these companies now count 15 agencies, which should see €100 million euros in turnover in the United Kingdom in 2007.
