

**GROWTH REMAINS STRONG
IN THE 2007 FIRST HALF: +14%**

Synergie Group had sales of €565.9 million in the 2007 first half, up 14% over the equivalent prior year period.

<i>Sales</i> <i>(in millions of euro)</i>	2007	2006	Change
First quarter	263,0	231,6	+ 13,6 %
Second quarter	302,9	264,9	+ 14,3 %
First half	565,9	496,5	+ 14,0 %

Growth accelerated in the second quarter, boosted notably by the increasing contribution of international operations that now account for more than 30% of total revenue.

Advance Personnel, acquired in April 2007 and successfully integrated into the Group, grew 25% in the period. As a result, the Group's network in the UK has significantly expanded.

In light of these developments, Synergie management maintains full-year sales guidance of €1.2 billion for fiscal 2007.
